## STUDENT'S LETTER OF INTRODUCTION

In your own words write a letter which will tell about your personal interests. Your letter should be hand written **in English**. Feel free to continue onto another page. Some suggestions for what to include:

- Describe yourself. Tell about any extra special accomplishments or awards. (Are you an expert soccer player, musician, computer-literate?)
- Tell your future host family about your hopes and expectations for your stay in the USA.
- Describe a typical school day and weekend and how you spend your time with friends away from school.
- Describe a particular experience in your life which seems important to you.
- Describe how you will share your culture with your host family. Describe how and why you think your host community and family will benefit by welcoming YOU as an international student.
